Silk and Georgette Crepe Popular

By La Racontante.

The afternoon gown of silk and georgette crepe has proved quite popular this season. Usually, where the combination of materials is used the georgette crepe or chiffon is featured so as to produce a transparent effect in the bodice, leaving the heavier material arranged to constitute the main foundation of the gown. In the illustration plum colored charmeuse is combined with georgette crepe of the same color. The combination is rich but inconspicuous. Over a moderately wide skirt of the charmeuse a pointed tunic of georgette crepe falls in short folds. The bodice of crepe veils a foundation of cravat lace and the long sleeve effect is very graceful. A deep girdle, high in front, drops toward the back and finishes in a soft loop. A hat in the same tones, with flower trimming, and smart button boots, complete the costume.

IS YOUR NAME IN THE LIST BELOW?

If it is, you are invited to the next News-Times Birthday Party. Trips to all theaters and refreshments will be on the program.

The News-Times Birthday Party is open to all school children in South Bend and Mishawaka, whether in public or private schools, regardless of whether or not their parents are News-Times subscribers.

A list of all school children in the public and private schools of South Bend and Mishawaka has been compiled. On the date of the child's birthday his or her name is printed in the News-Times and on the Saturday following such publication the boy or girl comes to the circulation department of the News-Times and receives a coupon ticket which admits bearer to the Orpheum, LaSalle, Surprise and Colonial theaters, also a treat at the fountain of the American Drug Co. Children living 10 or more blocks from the office are given return car fare home.

On account of the Orpheum and the Majestic being closed temporarily, it is suggested that the children save the tickets which admit them to these theaters until the fall season starts, when they will be honored. Tickets are good any Saturday, so if the full number of tickets is not used in one day, they are good any succeeding Saturday.

INNOVATION IN BOOK SELLING.

Copyrighted Fiction to go Direct From the Publisher to the Reader.

Did you read the announcement in yesterday's News-Times telling about the sensational distribution of high grade copyrighted fiction at 25 cents, regularly selling at \$1.25, \$1.50, \$1.75 and \$1.50?

Hundreds have already placed their order for next Sunday's News-Times in which will appear the first coupon and announcement telling the name of the first book in the series of eight (one to be selected each Sunday) selected from among hundreds of the latest and best books by the most noted fiction writers. Only 25 cents will be thus given to our readers, the balance can be secured from any book store at their regular prices.

It is expected that this great gift offering will stimulate renewed interest in the best fiction, and booksellers everywhere will enjoy a largely increased fiction sale as the result of the pioneer work done by this newspaper during the next eight weeks. These books are not what are commonly known as "specials" but they are regular editions printed from the same plates as the original editions, with the same library cloth bindings, and much more elaborate wrappings.

This distribution marks a mighty epoch in the history of fiction publishing, and the reading public will benefit during the short period of this remarkable gift offering.

Be sure to clip the first coupon from the announcement in next Sunday's paper, so that you may not miss the first book of the series which will be named at that time.

DON'T WANT HAROLD INTRODUCED AS LAURA HAMILTON'S HUSBAND.

"Just because I'm an actress is no reason why my conversation should be about glittering spangles, footlights, lobster salads and fleshpots," says Laura Hamilton, the pretty little 22-year-old songstress of "Nobody Home."

"I believe an actress' life can be quite like everyone else's," she continued. "You know I am married and have just the happiest kind of a home life, notwithstanding all stage traditions to the contrary."

"And I'm terribly glad that no matter how far along the road to fame I might ever travel, Harold will never have to be introduced as 'Laura Hamilton's husband,' because he will always have his own claim to fame."

Her husband is Harold Atteridge, who has been writing the librettos of the Winter Garden shows in New York for the last five years.
